

2011 Victorian Deaf Tennis Championships & Fun Days

Deaf and hard of hearing tennis players of all ages and standards are invited to our 2011 events, which promise to be two fun days of tennis. For family and friends (deaf and hearing alike) there will be a chance to have a hit and some coaching (please register) – equipment provided. If entries permit we will offer separate junior (U/18) and veterans (O/40) categories.

So, come and enjoy some tennis! For those of you thinking of playing tennis at the Australian Deaf Games in January, this is a good chance to meet some of the people who will be there, and get some practice!
